

Dear colleague

Bobby Goldsmith Foundation is currently undertaking a project looking at the needs of people living with HIV across NSW and some parts of Australia. This project will help BGF when designing our services in the future.

You can find more information about BGF here: <http://www.bgf.org.au/> and on Facebook at www.facebook.com/TheBobbyGoldsmithFoundation/.

As a part of this project, we are surveying people living with HIV and service providers. The survey for service providers can be found here:

<https://www.surveymonkey.com/r/BGFservices>

There are 20 questions covering unmet service need among PLHIV in your area, your views on service models which might work in your area, what you know about BGF (if anything), and some basic demographic data about you.

Many of the questions are multiple choice and the survey should take about 5-10 minutes to complete. Please complete it in one sitting as the survey tool won't allow you to save your answers.

The survey closes on **FRIDAY 30 NOVEMBER 2018**. All responses will be confidential. BGF will be provided with a summary of key themes but will not have access to individual responses.

If you have any questions, please contact Lisa Ryan on 0419 228 180 or myself on (02) 9283 8666.

Kind regards
Andrew
